

SPRING 2011 NEWSLETTER

COACHES

Many of you will be aware that Roger and Wendy are retiring during Spring 2011.

Cutting's have been the coach travel provider for our branch for over 30 seasons serving our requirements efficiently, reliably, and cost effectively during this time.

We will be collecting for a retirement present for them on the coach to the home match against Norwich on Thursday 21st April 2011, and presenting them with their gifts on their final football trip which is the Preston home match on Saturday 30th April 2011. (We wish to keep this as a surprise to them).

If any member wishing to contribute to the collection is not travelling on the 21st April, please give money to a committee member before this date. Thank you.

The committee wish to advise that Bury St Edmunds branch home match travel will continue from next season and beyond, and that we are currently in the final stages of negotiations with a coach company to provide our travel requirements from next season. We are also pleased to report that we do not envisage an increase in fares for the 2011/12 season.

Full details will be published during the summer when the contract is finalised.

Thank you all for your continued support of the branch coach travel, and I am sure you all join the committee in wishing Roger and Wendy a very long and happy retirement, and thanking them for their friendly company on our trips over the years.

BURY ST EDMUNDS BRANCH—PLAYER OF THE SEASON

Here are details of the number of votes cast up to and including the Arsenal match on 12 January 2011:

- Peters 66
